MAYBANK SECURITY

JANUARY 2016—MARCH 2016

Our clients Aldi will finally hand back the keys to the RDC in Stakehill Middleton they have called home for over 25 years at the end of March 2016, and finally settle into their new home in Bolton. A sad end to the 25 years Maybank has been providing 24/7 cover at the facility. Our management teams are in advance talks to retain the cover at the site working directly for the landlords. We will keep you posted of any developments that may arise.

MANAGEMENT MESSAGES

Maybank Security is once again preparing for our ACS audits 2016. Your management team will contact all staff in due course to complete relevant paperwork relating to this. Staff feedback forms will be distributed to all staff please complete and return. This gives the company a great insight into how our staff feel while representing Maybank Security and shows us how we can better your conditions and deliver a greater service to all our clients.
