MAYBANK SECURITY

JULY 2016— SEPT 2016

Maybank Security has secured 2 more contracts providing security at distribution centres in the Middleton area 24 hours a day 7 days a week. Both sites will undergo a vigorous renovation over the coming months and Maybank have been put in full charge of securing the sites and ensuring the sites remain sterile from any unwanted attention. If any staff would like to join the team up there please let your supervisor know and you will be given more Information on shift patterns and locations.

MANAGEMENT MESSAGES

The management team have agreed to start full cover of the former Aldi RDC site in Middleton directly for the Landlords. With all the problems Aldi had there 2 weeks before handing the keys back, the excellent job alot of the Maybank team did there to ensure the site remained secure was a major factor in winning this. Well done to all involved.

MAYBANK AT THE GOLF

May was a very busy month for Maybank Security, where we deployed staff to both the BMW PGA Championship in Wentworth and to the Irish open at the K club in Dublin.

Maybank Security officers worked incredibly hard over the tournament week to ensure our clients customers had a safe and pleasant experience while visiting the retail units. Looking forward to the next tournament which is being held at Castle Stuart in Inverness, Scotland in July.
